

Since I added my name to the Indiana "No Call" list, I have not been receiving as many unwanted solicitation calls. It has been HEAVEN! To reduce the power of this rule would be a complete disservice to the residents of Indiana! Why should residents be held hostage by their telephone - spending precious time on unwanted calls. Please, for the sake of the Indiana residents, do not change the rule, or lessen the power of it. It is one of the good things we have received from the state of Indiana! As Martha would say, "It's a good thing!"
